SUB Levy of octroi duty on certain articles and revision of octroi rates and toll in Kolar Town Municipality

---

I have the honor to forward herewith the records received from the President, Municipal Council, Kolar, with his No H C 41/48-49 dated 6th February 1949 on the subject mentioned above and to state as follows -

With a view to improving their financial position, the Kolar Town Municipal Council resolved at their meeting held on 20th June 1948 to revise the rates of octroi on nine articles detailed their resolution and also to levy octroi duty on ten fresh articles They also resolved to revise the toll on carts both laden and unladen A copy of the resolution of the Council dated 20th June 1948 is enclosed in the records According to the provisions of the Municipal Act, a notification regarding the above enhancement and levy was published in the locality calling for objections within one month from the date of notification In response to the Notification objection petitions were received for the levy of octroi duty on Agarabathies, Potatoes, onions, raw-wool, tamarind and groundnuts

These objections were forwarded to the octroi and toll committe for the decision The Committee considered all the objections at their meeting held on 27th November 1948 and decided that the rates proposed by the Municipal Council may be adopted in the case of onions, potatoes and tamarind for which tax at 0-0-6 pies per maund was proposed The Committee was also of the opinion that the rates of octroi in respect of groundnuts, raw wool and agarbathies may be redu to 0-3-0, 0-0-3 and 0-8-0 respectively

The decisions of the committee were considered by the Munici Council on 29th November 1948 and they resolved to levy octroi sugges ed by the Committee with the modification that no tax need be levied on potatoes, onions and tamarind The proposals of the Municipal Council were examined by me and it was found that the scale of tax proposed exceeded the maximum limits prescribed under Section 61 of Schedule II of Town Municipal Act in respect of oil seeds and other oils as noted below -

	Maximum rates under the Act	Rates proposed by the Cou
1 Other oils	0-2-0 per maund	0-3-0
2 Oil seeds	0-4-0 per candy	0-5-0

The Municipal Council at their meeting held on 31st January 194[illegible] have resolved that the proposals have been made with a view to increase the finances and may be sanctioned But the maximum rates prescribed in the Act should not be exceeded on any account and therefore the maximum rates admissible under the Act for these two articles may be levied

As regards Agarbathies, the Council propose to levy octroi duty at 0-8-0 per maund on the quantity to be exported from Kolar Town As octroi is not leviable on the articles to be exported out of the municipal limits, the same may be delted from the list The proposed rates of toll on laden and unladen carts are in accordance with the schedule and may be adopted

I have also examined these proposals in the light of the instructions recently issued by Government for the levy of octroi in the Municipalities and think that the above proposals of the Council has to be sanctioned to improve its financial position I therefore request you kindly to obtain sanction of Government to the proposal of the Council to levy octroi duty reducing the levy in respect of oils and oil seeds to 0-2-0 per maund and 0-4-0 per candy of 180 seers, respectively and also deleting the levy of duty on Agarbathies The connected records accompany
